Key Points

- Effective date is July 1, 2004
- CR 2944, titled "*Implementation of Skilled Nursing Facility Consolidated Billing CWF Edit for Therapy Codes Considered Separately Payable Physicians Service*," incorrectly stated that services provided in a non-covered skilled nursing facility (SNF) stay are reimbursed through the prospective payment system
- This instruction, (CR 3333) removes the language indicating that the services are subject to the prospective payment system when provided to beneficiaries in a non-covered SNF stay
- Medlearn Matters article number MM2944 associated with CR 2944 was incorrect and will need to be reissued
- Though this change is necessary, claims will be processed correctly according to the business requirements established in CR 2944 and CR 3156
- The implementation date for this instruction was July 6, 2004
